

Blue Hill Lodge

Masonic Coast Guard Tour of Base Boston

May 19, 2018

427 Commercial St, Boston (North End)

10:00 AM

Join Blue Hill Lodge for a tour of Coast Guard Base Boston, learn a lot about what the Coast Guard does, and get tours of some military ships. We did a tour in September of 2017, and everyone had a great time.

The Coast Guard requires that all participants must be able to negotiate ladders and gangways.

Please also note that this is a secure military facility, and the tour is limited to 20 participants. It is recommended that you car pool to the Base. It is possible that we might have a passenger van leaving from Blue Hill Lodge in Canton that morning, news to follow.

IF YOU PLAN TO GO, YOU WILL NEED TO BE ON THE GATE LIST, OR YOU WILL BE DENIED ENTRY TO THE BASE. YOU MUST RSVP BY MAY 10, 2018, PREFERABLY EARLIER.

You must contact Bro. Eric Wickberg at eric@wickberg.org if you plan to attend.
